

President's Message

Have you ever asked yourself where did that year go? Well that comment has been said on numerous occasions here at the Plympton and Wyoming Agricultural Society as we prepare for the 163rd edition of our Annual Fall Fair.

Another year has come and gone as the board of Directors and members sort through the choices and challenges to bring you our Fall Fair.

At this time we would like to thank our many businesses, sponsors, individuals and volunteers for your support and donations to make our fair successful.

On behalf of the executive and directors, I invite you and your neighbours to come and take part in all of our Fair's activities.

With the challenges facing the rural fairs these days, many volunteers and supporters are necessary to plan, organize and provide a successful event and we wish to thank each and everyone of you.

Come and support your local fair and enjoy what we have to offer in 2009.

President
Murray Preece
