It's that time of year again, FAIR SEASON!

The Plympton Wyoming Agricultural Society board and members has been busy planning the 177th Fall Fair. This year we are very excited provide our community and surrounding communities with the return of a 3-day fair. Moving forward we are very eager to bring new things, yet keep some traditions the same. We pride ourselves on a family orientated fall fair and our hope is for you to enjoy every aspect that the Plympton Wyoming Fall Fair has to offer.

Here at the fair, there is something for everyone!

After many years we are over joyed to bring back a MIDWAY! Yes, you heard right a MIDWAY will be on the grounds consisting of rides, games and much more provided by Family Time Amusements. The grounds will look a little different this year, but some things you may recognize to be the same. We encourage everyone to enter as well as check out the many exhibits in the variety of departments; junior division, culinary arts, grains and seeds, fruits and vegetables, school department and many more that we will have on display in our buildings. Our entertainment line-up gears towards all ages, starting Friday night with Scott Manery and the Barn Burners kicking off the fair dance followed by a Midway, Wrestling Show, Pet Show, Baby show, our local Elite Star Dance Academy performance, YukYuks Comedy Show and much more over the course of the weekend! If you are the competitive type, new this year we are hosting our first Pie Eating Contest. Agriculture is a very important component of the Plympton Wyoming Fall Fair. Our Ag in the Classroom Program is returning this year as well as our 4-H Programs, some educational exhibits, homecraft department exhibits, along with Heavy and Light Horse Shows and much more! We hope you come celebrate with us again this year enjoying all the things we have to offer.

The Board of Directors and our members have been very busy this past year planning and are very excited to see the people come through our gates again this year. Their hard work and dedication to the Society does not go unnoticed and I personally would like to thank each and every one of them. There is nothing better than the heart of a volunteer.

We would also like to acknowledge our community and the communities around us for their continuous support throughout the year and previous years. This year we announced a new partnership program and we have been overwhelmed by the support. Whether it be through partnership, attending our events or lending a helping hand as a volunteer the Fall Fair would not be possible as well as many other events we do throughout the year. To this we say a big THANK YOU!

So come on out and celebrate with us yet another successful Plympton Wyoming Fall Fair. We are very excited to see you and everyone come together as one.

See you at the fair!

Lauren Armstrong

As the 2022-2023 Plympton-Wyoming Fair Ambassador, I was met with amazing opportunities that will last a lifetime and reminded me how proud I am to be from Plympton-Wyoming.

Over the past year, the ambassador role has encouraged me to participate in local fairs, meet other ambassadors, and experience the CNE in August 2023. Although I didn't get to participate in the OAAS Convention, I gained skills and knowledge about local agriculture and grew more confident with my public speaking and volunteering roles.

I would like to thank all the Plympton-Wyoming Fair board members and volunteers for all their hard work and dedication in creating such an amazing, educational, fun, and memorable fair. A special thanks to Lauren Armstrong for her guidance and support throughout the year.

I hope all the future Ambassadors take this opportunity to grow and appreciate all the amazing opportunities this role gives you.

See you at the fair!

9. Each horse receives a number – the horse owners name is to be shown as the exhibitor.
10. No person under the age of 19 shall show in stallion due to safety concerns.

Requirements for Class No. 115

- A contestant may show in either Western or English attire.
- Contestants must wear an approved ASTM riding helmet.
- A contestant must have his or her feet in the stirrups and the stirrups must be securely attached to the saddle.
- A contestant cannot be tied, buckled or fastened in the saddle in any manner or by any means during the competition.
- The Horse must be lead by a lead shank attached to a halter that is over the bridle or under the Bosal.
- Exhibitors must be lead by an adult (19 years or older).

This year, as in the past, we will try to streamline the program to save the exhibitor's time. If we have no registration for a class and section, we will not call same. Due to the routing of the fair parade, we will suspend the horse show for a brief period of time to allow the parade to enter the grounds. This will ensure the safety of the exhibitors and their horses.

*** During the performance classes, exhibitors are to use a flat walk, a jog or a trot, and a lope or canter. Patterns will be provided at the time of registration for classes requiring a pattern.***
